INTRODUCTION

This guide will teach you how to replace the battery. This may be necessary if you cannot turn your laptop on or if the battery loses charge quickly.

Step 1 — Battery Replacement

⚠ Unplug the charging cable from the laptop.

- Turn off the laptop.
- Turn the laptop over and locate the battery.

Step 2

- Push the small switch near the corner of the laptop to the unlocked position.
- Push the bigger switch in the direction of the icon and pull the battery away from the laptop.

To reassemble your device, follow these instructions in reverse order.
